Enhancing Abilities Enabling Life

INFANT STIMULATION PROGRAM (2 HOURS) COMBINATION OF 1:1 & GROUP INTERVENTION

803, 4TH B CROSS, HRBR LAYOUT 1ST BLOCK, BANGALORE - 560043

PROGRAM OVERVIEW

The core philosophy of this program is to provide comprehensive stimulation and systematically teach functional skills and communication from a very young age. The goal is to promote independence, enhance productivity, and enable children to adapt effectively to mainstream school curricula. The curriculum is thoughtfully designed based on the principles of Applied Behavior Analysis (ABA) and the TEACCH methodology developed by the University of North Carolina.

PROGRAM FOCUS AREAS

- **Sensory-Motor Development**
- **Cognitive and Language Development**
- **Pre-Academic Skills, Pre-Writing Skills, and Fine Motor Hand Function**
- **Speech Development, Language, and Communication Skills**
- **Technology-Based Interventions – AAC and Educational Applications**
- **Fine Motor Skills and Hand Function**
- **Activities of Daily Living (ADLs)**
- **Group Interventions – Turn-Taking Games and Imitation Skills**
- **Computer Skills**

SALIENT FEATURES

- The academic year is divided into three terms. An Individualized Education Plan (IEP) will be developed and shared with parents at the beginning of each term. Evaluation reports will be provided at the end of each term.
- A multidisciplinary team comprising a counselor, special educator, clinical and child psychologist, speech therapist, and occupational therapist collaborates to design and guide each student's IEP.
- Monthly parent meetings include session observations, video recordings, and feedback discussions.
- Akshadhaa Foundation designs customized exercises, worksheets, and teaching materials tailored to each child's developmental level..
- School uniform (tee shirt) and stationery materials (books and notebooks) are not included in the tuition fees. These charges may vary depending on the child's group.
- The Infant Stimulation Program runs for 2 hours daily and includes a mix of one-on-one and modified group-based interventions.

PROGRAM OPTIONS & FEES

- **2 HOURS 5 DAYS A WEEK – 20,000/-**
- **2 HOURS 3 DAYS A WEEK – 17,500/-**

Sessions include a combination of **1:1 and 2:1 formats, totaling 2 hours per day.**

They also incorporate parent observation, home program guidance, and regular feedback sessions.

TEACHING APPROACH & CLASS STRUCTURE

- Use of **smart boards, computers, and tablet**-based applications for interactive learning.

- **Customized TLMs** designed to meet individual learning needs.

- **Well-structured in-house books** aligned with the NIOS curriculum.

- Small group instruction with a **2:1/3:1 student ratio** Supported by one **special educator** and one **assistant teacher** for personalized attention
